

Exhibit 67

[Seal

Illegible

No.: 5708

Date: 2/16/1423 A.H. [04/29/2002 A.D.]

(Signature)]

Dear, President of Civil Aviation

Peace, mercy and blessing of Allah upon you,

Reference to Administrative Decision No.7/4/1/1422 dated 2/18/1421 A.H. [05/22/2000 A.D.], which provides giving me academic leave from 3/1/1421 A.H. [06/03/2000 A.D.] under Article 28/19 of the civil service system.

I would like to extend my academic leave for two years starting from 3/1/1423 A.H. [05/13/2002 A.D.]. I attached two letters from the University of Aston in Birmingham, UK, dated October 5, 2000, and April 18, 2002. The first one indicates my admission in the university. The second indicates that I passed my Scheduled courses, in which I will finish my doctoral studies at the end of December 2003.

Best regards,

Omar Ahmed Al- Bayoumi

Air Ways Engineering

The President of Civil Aviation,

Based on the powers granted to him, and based on what was stated in the letter of the General Director of Air Ways Engineering No.266 and date 2/6/1421 A.H. [05/10/2000 A.D.], which includes the request to approve of giving the above-mentioned employee Academic Leave for two years from 3/1/1421 A.H. [06/03/2000 A.D.]. His request for leave in order to continue his higher education in the United States of America at his own expense and our consent to that:

(We decide the following)

1. Approve of giving the above-mentioned employee Academic Leave for two years without salary from 3/1/1421 A.H. [06/03/2000 A.D.] under Article (28/19) of the civil service system.
2. The relevant authorities shall approve this if applicable.

President of Civil Aviation
Dr. Ali bin Abdul Rahman Al- Khalaf

Dear Mr. Bayoumi,

Further to your application to join the Aston Business School Research Degrees Programme, we are pleased to offer you a place as a full-time internal research student commencing October 2000, under the supervision of Dr. Reiner Grundmann. You will be attached to the Strategic Management & Innovation Research Group.

All students joining the Research Degrees Programme are initially registered for a higher degree by research, with their registration changing to MPhil or Phd after successful completion of their Qualifying Report at the end of the first year of study for full-time students, or at the end of the second year of study for part-time students.

It is a requirement of the Programme that you complete the Research Methods Course as part of your degree. The Student Handbook giving details of the various modules is currently being updated and will be available for the October term.

As mentioned in email messages to you, you will be required to pay a minimum of 50% of the fee as a full-time overseas research student (£7000) upon enrolment, providing financial guarantee for the remaining 50%.

Copy of the 'Regulations for Students Registering for Higher Degrees by Research and Thesis MPhil and PhD' is enclosed.

Yours sincerely,

Dr. Stephen Osborne
Director, Research Degrees Programme
